## ABSTRACT

NCC was firstly started in 1666 in Germany. The NCC in India was formed with the National Cadet Corps Act of 1948. It was raised on 15 July 1948. The origin of NCC can be traced back to the 'University Corps', which was created under the Indian Defence Act 1917, The National Cadet Corps (NCC) is a youth development movement. NCC started 16 April 1948.

NCC Cadets have reservation in many Government jobs, especially in the State and Central Police and in paramilitary forces. NCC cadets have a lot of academic incentives too. NCC 'C' Certificate cadet taken part in Republic Day parade at New Delhi, The motto of NCC is: "UNITY AND DISCIPLINE".

NCC cadets are given the opportunity to participate in a host of adventure activities including Mountain Treks and Expeditions, Trekking, Parasailing, Sailing, Scuba Diving, Kayaking, Camel safari etc. Adventure based activities enable cadets to hone leadership skills and enhance their character qualities.

The NCC provides opportunities to the youth of the country for their all-round development with a sense of Duty, Commitment, Dedication, Discipline and Moral Values so that they become able leaders and useful citizens.

### The Aims of NCC

To develop character, commandership, discipline, leadership, secular outlook, spirit of adventure and the ideals of selfless service amongst the youth of the country.

To create a human resource of organized, trained and motivate youth to provide leadership in all walks of life and always available for the service of the nation.

To provide a suitable environment to motivate the youth to take up a career in the Armed Forces. The seventeen lotuses represent the 17 State Directorates. **The National level deals with NCC by The Ministry of Defence.**

The funds are shared by the Central and State Governments. The basic functional sub-unit in colleges and Plus Two institutions, having SW/SD Cadets is a Company. It is mandatory that the cadets of a particular company are from the same institution having the sub-unit. However, there is a provision for a system of giving Open Vacancy specifically to a NCC Sub-unit of some institutions, as a special case, where students from other institutions which are not holding NCC can also join..

The purpose of this study was to evaluate the difference in motivational factor of Urban and rural NCC girls cadet of Agra district of Uttar Pradesh

In which 20-20 NCC girl’s cadets from urban and rural levels from different colleges of Agra district were selected for this study through random sampling method. A ready-made motivational tool was used to find out the motivational level of NCC cadets. The result will shows that the motivation level of urban NCC girl cadets and rural NCC girl cadets.
