

ABOUT THE COLLEGE

Navsahyadri Education Society's Group of Institutions (NGI) is a renowned educational campus situated at Naigaon (Nasrapur), Taluka Bhor, Pune. The institution holds an accreditation from NAAC and is approved by **AICTE, New Delhi** and **DTE Maharashtra**. It is affiliated with **Savitribai Phule Pune University (SPPU)**, and the **Maharashtra State Board of Technical Education (MSBTE)**. With these prestigious recognitions and affiliations, NGI stands as a trusted center of excellence for higher education in Maharashtra.

The college offers a wide range of academic programs across disciplines such as **Engineering, Pharmacy, Management, and Polytechnic** focusing on building strong academic foundations along with recent practical exposure. The curriculum is designed to meet modern industry demands while encouraging **research, creativity, and innovation** among students. NGI aims to produce technically competent, socially responsible, and ethically grounded professionals who can contribute meaningfully to society and the nation.

The institution provides a **student-centric learning environment** supported by highly qualified faculty and state-of-the-art infrastructure. This campus includes well-equipped laboratories, modern classrooms, a digital library, advanced research facilities and recreational spaces that foster both intellectual and personal growth. NGI places strong emphasis on **holistic education** combining academic rigor with extracurricular engagement, leadership training and personality development.
